Yuval Bloch |

Tel Aviv

054-3298180| yuval.bloch@gmail.com| gitHub: yuvalbloch

A web development boot camp graduate, autodidact with an annalistic mind looking for a full time job, love challenges, patient and motivated ready to work hard.

Education

2019| **Full Stack Web Developer - Elevation Academy, Tel Aviv**

An intensive 3-month coding Bootcamp which covered the entire MERN stack and beyond. Built a number of end-to-end projects from scratch while adhering to solid OOP principles and communicating with a number of external APIs.

2018| **The open university - intro to Computer Science and Java**

Simultaneously to my army service in the artillery corpse, I took an intro course in the open university; finished with a grade of 78.

2015| **Keshet Democratic school - bagroot in physics and history**

I learned in "Keshet" democratic school in Zichron Yaacov, and finished partial bagroot that includes 5 points in physics via "the virtual high school" (grade 93) and 5-points project in history (grade 88).

Technoda Givat Olga: - A Enrichment studies day for gifted children

in the time of primary and middle Scholl I was take part in weekly enrichment studies day for gifted children program.

Ex: **Technical Skills**
